(3) No part of the cost of his emigration or subsistence during transport shall be recoverable from any emigrant and all expenses in this connection shall be borne by the Government of British Guiana or met from funds at their disposal.

(4) The Government of British Guiana shall, at any time when so desired by the Governor General in Council, admit and give all facilities to an Agent appointed under section 7 of the Act.

The annual rent of the building shall be fixed by the Settlement Commissioner at a rate not exceeding the lowest rate paid at the locality.

After an emigrant has been in possession of a building for three years, he shall, provided that he has not obtained a portion of the building either by himself or through some member of his family, be entitled to a grant of the building on payment at any time during the ensuing four years of not less than 8 months 24 dollars as may be fixed by the Settlement Commissioner.

On the expiry of three years from the date of commencement of his occupation of a building an emigrant shall acquire absolute ownership in the building provided that he has paid the rent and has obtained to him the foregoing paragraphs of this clause and has brought under cultivation either by himself or by some member of his family half the area of his holding.

(8) An emigrant on arrival in British Guiana shall be housed and maintained without charge by the Government of British Guiana for at least one month.

(9) If any emigrant so requires he shall be made to him for maintenance, house accommodation, payment of rent and for agricultural purposes generally. Free medical assistance and free skilled supervision shall be provided.

Any emigrant shall be entitled to repatriation at the expense of the Government of British Guiana to the place of his former residence in India as the expiry of more than 3 years and not more than 7 years from the date of his arrival in British Guiana on payment to the Government of British Guiana of quarter of the cost of his passage from his residence in India to British Guiana.

(11) Notwithstanding anything contained in the last preceding clause the Government of British Guiana on the request of an Agent appointed under section 7 of the Act shall repatriate at his own expense and without any payment by or on behalf of the emigrant to the place of his former residence in India any emigrant at any time after his arrival in British Guiana.

2. Reference is invited to Fundamental Rule 38 and subsidiary rules thereunder. The car bid's at

substantant responses are now contemplated by members of the local boards or municipalities. If the proposal of the European Council is accepted, members of Government will have to be asked as to whether the existing hospitals should continue in the case of bulk headquarters hospitals or whether the substantial response's pay bills should be considered by District Health Officers.

Ord. No. 474, P. H., dated 17th April 1936

The Sergeant-General is informed 'that' as Government Medical officers employed in tribal headquarters medical institutions are not Government servants but in local bodies, presidents of local boards and chairmen of municipal committees are authorized to grant them leave under G.O. No. 201, Mysore, dated the 31st July 1921.

3. The Government direct that the pay bills of subordinate surgeons employed in civil headquarters hospitals shall in future be maintained by District Medical Officers and not by presidents of local boards and officers of municipal councils.

3. The pay and allowances of medical officers employed in public health and medical institutions are now debited to "A2, Medical—4, Hospitals and dispensaries—(a) Government Medical officers posted to local bodies." As the officers in question are not posted to local bodies, the Government propose to charge the working of the above sub-head to "Government Medical Officers employed in institutions under the control of local bodies" and to show the charges in two sections as follows:—

- (c) Public health/nursing institutions,  
(d) Other institutions

Mr. Alexander Gray

The Assistant-General is requested to state whether he saw any objection to the above changes being adopted. The Sergeant-General is requested to suggest a redistribution between the two sections (a) and (b) specified above of the figures adopted in the budget estimate for 1928-29 under the sub-head "Domesticated Mammals" referred to in the last line."
